Sir:

RESPONSE

This response is submitted in response to the Office action mailed December 4, 2002. Applicant submits the following documents herewith:

1. A Second Communication Re Pending Litigation, stating that the pending litigation concerning the subject application is now concluded.
2. A Substitute Preliminary Amendment indicating the place on the front of the patent at which the priority claim is to be inserted, and also omitting the priority claim to U.S. Pat. App. Ser. No. 09/798,502.
3. A proposed drawing correction to Fig. 4, showing the center channel indicated in red.
4. A Substitute Declaration of Andrew Wolf, indicating the name, residence,

citizenship, and post office address of the inventor

5. A Supplemental Declaration of Andrew Wolf with the language required by 37 C.F.R. 1.175(b)(1).

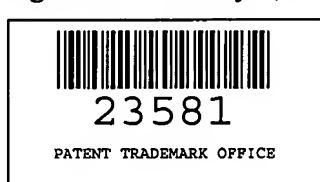

Applicant believes that the above listed documents address all objections raised by the Examiner in the December 4, 2002 office action. Once the Examiner approves the proposed changes to Fig. 4, applicant will submit formal drawings showing the original Fig. 4 in brackets labeled "canceled," and showing the new Fig. 4, labeled "amended."

The Examiner is encouraged to telephone the undersigned with any questions regarding this amendment
